Kurzbeschreibung

Amanda Graham inherited a rundown bed and breakfast, a starving cat, and some dead guy who's buried in her garden!

What should've been a simple remodeling project and a new business in a small Oregon beach town winds up with her uncle named as the number one murder suspect, a slew of odd neighbors and problematic townspeople, and Amanda wanting to just sit down and eat her weight in chocolate pie.

Sure, she could pack her bags and travel back to LA...or should she dig in, heal from her failed romance, and find a whole new set of friends and adventures in Ravenwood Cove?

And how could a quiet little coastal village have so many secrets?

Includes the free recipe for Amanda's (and the author's) favorite cinnamon rolls. First novel in the Ravenwood Cove ebook series. Paperback and audiobook (with Whispersync) versions coming soon. Mild PG rating (because hey, there's a dead guy in it). Kurzbeschreibung
