Présentation de l'éditeur

The twentieth-century painter, designer and wood engraver Eric Ravilious also served as a war artist during the Second World War, producing a number of skillful works. This art calendar showcases 12 of his best depictions from IWM collections of aircraft, submarines, warships and defence measures from this period, including *De-icing Aircraft*, *Runway Perspective* and images from his *Submarine Series*. Informative text accompanies each work and the datepad features previous and next month's views.
