Présentation de l'éditeur

John Sloane treasures the country seasons. In them, he finds not only renewal for his spirit, but also inspiration for his art. He hopes his paintings of simpler times and restful places, of a world free of modern distractions and bursting with the beauty of nature might inspire a love for the country seasons in everyone who sees them. Once again, this new collection of exquisite paintings reminds us of all-but-forgotten times and places when life passed slowly and was best viewed from a shady front porch. Sold in its own matching envelope, this monthly wall calendar will delight with each passing season.
