Synopsis

"Vision of Design" is a series of books featuring an extensive range of international graphic designers.

Curated to bring some of the most powerful statements in graphic design to the masses, the series boldly tackles designers whose work is shaped by their individual location, environment and context. Each book focuses on an outstanding designer, selected for their stunning art direction. The artists released this year include Reza Abedini (Iran) Lech Majewski (Poland), Michel Bouvet (France), Studio Boot (Netherlands) and Istvan Orosz (Hungary). Provocative and distinctive, the "Vision of Design" series showcases the work of distinguished designers, who are making international impact with their brilliant work.
