Kurzbeschreibung

Memories can be a real killer Melvin Mars awaits his fate on Death Row. He was one of America's most promising football stars until, aged twenty-years-old, he was arrested and convicted for the murder of his parents just as he was due to begin a very lucrative contract with the NFL. When Amos Decker, newly appointed special agent with the FBI, hears the news that Melvin was saved in the final seconds before his execution because someone has confessed to the killings, he persuades his boss to allow him to carry out an investigation into the Mars murders. There are facts about the case which don't add up, and as the investigation deepens, Decker and his team uncover layer upon layer of lies and deception which are rooted at a time in American history which most would rather forget, but some seem keen to remember. There is someone out there with a lot to hide, and a secret that everyone is looking for. A race against time ensues because, when revealed, that information threatens to tear apart the corridors of power at the very highest level. The case proves to be life-changing for both Mars and Decker in ways that neither could ever have imagined. **Pressestimmen**

"Entertaining and enlightening, *The Last Mile* is a rich novel that has much to offer...In the best Baldacci tradition, the action is fast and furious. But *The Last Mile* is more than a good action thriller. It sheds light on racism, a father-son relationship and capital punishment. Both Mars and Decker are substantive, solid characters....Utterly absorbing." *Associated Press*

"[Amos Decker is] one of the most unique protagonists seen in thriller fiction...David Baldacci has always been a top-notch thriller writer ...[his] fertile imagination and intricate plotting abilities make each of his books a treat for thriller readers. THE LAST MILE is no exception." *BookReporter.com*

"The intricate details in Baldacci's explosive new novel engage until the final word. He's hit the pinnacle traveling the Deep South and exploring its traditions. Decker and his compatriots are characters to remember long after reading this impressive undertaking." *RT Book Reviews (4 1/2 stars - Top Pick!)*

"A compelling mystery with emotional resonance. Just when the story line heads to what seems an obvious conclusion, Baldacci veers off course with a surprising twist. The end result is another exciting read from a thriller master." *Library Journal (Starred Review)*

"Baldacci excels at developing interesting, three-dimensional protagonists...Baldacci fans will not be disappointed, and *The Last Mile* gives good reason to look forward to the next Amos Decker thriller." *New York Journal of Books*

"It's big, bold and almost impossible to put down...Decker is one of the most unusual detectives any novelist has dreamed up...I called this novel a master class on the bestseller because of its fast-moving narrative, the originality of its hero and its irresistible plot....Highly entertaining." *Washington Post on Memory Man*

"David Baldacci has written another thriller that will have readers engaged from the first page....Baldacci is a master storyteller...MEMORY MAN works because Amos Decker is an amazing character. Reading how Decker journeys from hitting rock bottom to finding ultimate redemption is nothing short of rewarding." *Associated Press on Memory Man*

"Perennial bestseller Baldacci unveils an offbeat hero with an unusual skill set and tragic past who takes on the evil mastermind behind a devastating school shooting..[Decker] proves a quirky, original antihero with a definite method to his madness...Readers will want to see Decker back on the printed page again and again."***Kirkus Reviews on Memory Man*** Werbetext
